EGGS ON TOBOGGAN

Hen Fruit Falls Off Two Cents Yesterday.

Poultry is Steady in the Portland Markets, But There is a Slight Tendency to Decline in the Prices for Turkeys.

Portland, Feb. 7.—Eggs have dropped 2 cents a dozen within the past 24 hours on Front street, and Oregon ranch were offered today as low as 27 1/2c. Receipts are heavy from all quarters contiguous to Portland, and stocks are said to be accumulating at country stores as a result of milder weather. Besides this, large numbers of eastern cold storage eggs have reached the city within the past four days, and these sell so as to retail at 25 cents per dozen. In the opinion of prominent dealers eggs have touched the highest point in the price list this season, and they are expected to decline until the low point is reached in April.

Poultry is fairly steady, and receipts up to this time have been light this week. Shipments to the city usually fall off as the laying season advances, and from this on there is no danger of a slump in prices for some time to come. Turkeys and geese do not sell readily, the demand evidently having fallen off.

AFTER GRIPPE

Or any Severe Sickness Our Druggist, Chas. Rogers, Advises Astoria People to Take Vinol.

Every Person Recovering From a Severe Illness May Be Quickly Restored to Health and Strength By Vinol.

Mrs. G. I. Partridge of Franklin Mass., who recently celebrated her 60th wedding anniversary, writes: "The gripe left me in a very weakened condition—no appetite, thin, nervous and no vitality. Nothing seemed to help me until a friend brought me a bottle of your Vinol. I commenced to take it, and it gave me a healthy appetite, my health and strength returned until I feel like a new creature. I consider Vinol a wonderful medicine for any one who has had a severe sickness; it makes strength and vitality so fast." We have never sold in our store such a valuable strength creator and health restorer for the convalescent as Vinol. This is because Vinol contains in a concentrated form all of the vital principles of cod liver oil, but without a drop of oil to upset the stomach and retard its work. Vinol purifies and enriches the blood, tones up the digestive organs, and strengthens every organ of the body to do its work as nature intended. We ask every person in Astoria who has been ill to try Vinol on our guarantee to build them up and make them well and strong. We return money if it fails. Chas. Rogers, Druggist.
